

Overwhelmed by love deeper than oceans high as the heavens
Ever living God Your love has rescued me
All my sin was laid on your dear Son Your precious one
All my debt he paid great is your love for me
No one could ever earn your love Your grace and mercy is free
Lord these words are true so is my love for you

Oh Lord all the world belongs to you
And you are always making all things new
What is wrong you forgive
And the new life you give
Is what's turning the world upside down.

The world's only loving to its friends
But your way of loving never ends
Loving enemies too
And this loving with you
Is what's turning the world upside down

The world lives divided and apart
You draw us together and we start
In our friendship to see
That in harmony we
Can be turning the world upside down

The world wants the wealth to live in state
But you show a new way to be great
Like a servant you came
And if we do the same
We'll be turning the world upside down

O Lord all the world belongs to you
And you are always making all things new
What is wrong you forgive
And the new life you give
Is what's turning the world upside down
