Items for display brought to hall between 6 and 7pm on Friday 16th for judging.

Lynda and I are holding a **Pop Up Shop** on Friday 23rd September to raise much needed funds.

If you have any handmade items, or unwanted gifts that we could sell, could you please get in contact with us.

We will also be looking for home baking on the day.
Finally, we need your support, so please spread the word and dare I say it - even get some early Christmas shopping done.
Jacqui Lee.

Church services in our care homes. Please contact David Bethune or Fiona Corbett if you are interested in helping on an occasional basis.

Selkirk Food Bank needs your help. Due to a massive increase in demand for food parcels, we are finding it a problem to maintain stock levels to meet demand. If you can bring one time on a Sunday, it would make such a difference. You are noted for your generosity so I know you will respond positively to this appeal. From Peter Birney. Please see list on coffee tables in the hall.

Forward in Faith House Group

We would welcome new people joining us to share fellowship, prayer and discussion. Please contact Jane Peers (079171 28918) and join in the summer events.

New Recycling Stream

We can now collect **empty blister packs from medication** for recycling. Many of you have asked about this as they cannot be put into our blue bins. The collection box is at the Recycling Point in the Meeting House. Have a look next time you are in Church to remind yourself of all the items we collect. Some raise funds for charities too.

A Message for Christian Aid

It's time for the biggest carbon polluters to pay up to repair what's damaged by the climate crisis.

The climate crisis is making extreme weather events such as drought, floods and hurricanes more common.

The people who have done the least to cause it are already facing damage to harvests and homes. They are already losing lives, land and culture.

These same communities are demanding an international fund to pay for the loss and damage being caused by the crisis.

Please sign the following petition to the Prime Minister either online at <https://www.christianaid.org.uk/get-involved-campaigns/climate-change/loss-and-damage-landing-page> or on paper after Church at coffee.

We are calling on the UK Prime Minister, Boris Johnson, to fully back the creation of an international loss and damage fund as a matter of urgency, and to push for other governments to back this too.

Covid information for attending church, Sundays and Wednesdays.

Hand sanitisers remain available at the doors. Face masks are optional. If you wish to sit at a distance from others, the steward will direct you to a side pew. The offering plate will still be available at the door rather than passed around.
