More information

Coffee Morning and Weekend Stall

The recent Coffee Morning and Stall over the weekend raised £726.80. Thank you to everyone who supported it in any way.

Earth Hour

Thanks to all who came to Fun, Food and Faith's Earth Hour in the Hall last Saturday. £100 was raised for WWF. Louise and Claire

Church Dance Group

Anyone interested in being part of a new church dance group (male or female, aged 10-100!)? Speak to Thelma Rodriguez if you are interested, want more information or have any questions, and let her know if you will be able to come to an initial meeting on Friday, 10th April at 2pm, in the church hall. Congregational half-day Conference, Saturday 25th April, 10am - 1pm

You are invited and encouraged to attend this event next month here in the church hall. It is for elders, working group conveners and all members and fellow-worshippers. Rev. Peter Wood will be the main speaker. Themes will include "changing the culture" and a workshop on developing our 5-year Action Plan, based on the feedback from working groups. More details and a sign-up sheet will follow after Easter, but please mark this date in your diary.

Holiday at Home : "Down on the Farm " is our theme for our July outreach to older folk in our community. Are you interested in helping out? Come and join the team and have a ball!

Speak to one of us for more information.

Elma, Fiona, Myra, Jane, Isobel, Maisie, Anne

New Library Bookshelf

The new Library Bookshelf has arrived and is larger than we need. If you have any Christian books in good condition which you are happy to lend out/give to the library, please do so. We hope that this will be a useful resource for the church and visitors. Books may be borrowed for as long as needed, no register will be kept. We trust you!

Notice from Scottish Borders Council

To inform you from Wednesday 25th March 2026, Scottish Borders Council will commence headstone safety inspections and remedial works in the following cemeteries:

- Auld Kirkyard, Selkirk
- Yarrow
- Southdean

Notices have been displayed at all sites since February 2026, advising of our intent to undertake these works. These Inspections are required as part of our duties as a Burial Authority to ensure public safety in cemeteries and burial grounds.

What to Expect:

Headstone Safety Inspections are carried out by our own specially trained staff following stringent procedures. Depending on the individual circumstances, any headstones identified as unsafe will be made safe by being either:

- Socketed securely into the ground
- Laid flat

Sometimes in very exceptional circumstances we cordon off a headstone and install appropriate signage.

Any headstone laid flat will have a notice installed adjacent, with information relating to the programme and contact details for further enquiries. Additional information is available via leaflets distributed across our contact centers and also online at: www.scotborders.gov.uk/headstonetesting

Memorial owners may wish to undertake their own repair works ahead of our Headstone Safety Inspections - the above website may be a helpful guide. If you have any queries around this please get in touch.

Community Engagement:

We kindly ask for your support in sharing this information with any local interest groups or individuals who may be affected or wish to be informed. The Council will also be promoting this initiative through its social media channels and dedicated webpages.

Respectful Approach:

We understand the sensitive nature of this work and assure you that all actions will be carried out with the utmost care and respect, and only where absolutely necessary.

Contact Information:

If you would like further information or wish to arrange a short demonstration at any of the listed cemeteries, please contact us on 0300 10
