Grateful thanks to the Organising Team of Myra, Anne, Elma, Fiona, Jane, Isobel & Maisie for the many hours of work they have put in, and to all the volunteer helpers who came each day. Huge thanks to Gill and her catering team for all the delicious food and refreshing drinks and finally, thanks to all the guests who came along to join us. See you all again next year!

Sponsored cycle for Building the Future project

David is aiming to cycle 600km during July 2026 to raise funds for the Building the Future project. Why 600km? Is it the equivalent of cycling from John o' Groats to Selkirk! So far, he has covered 56km. You can sponsor David now or at the end of the month (if he makes it). Donate online at <https://www.justgiving.com/page/david-bethune-cycle2026>, where you can also follow his progress.

Recycling

PLEASE take your BLISTER PACKS for recycling TO SUSTAINABLE BORDERS, 5 TOWER STREET (Mon 9.30am-4.30pm, Wed 9.30am-4.30pm & Fri 9.30am-2pm) instead of bringing them to church. This is on a trial basis.
Anne Bethune.

Can you help Jane?

In memory of Jack Peers, a friend and I are going to do the Macmillan Cancer Support Northumberland Coast Mighty Hike Half Marathon on 6th September. Jack and I were cared for through his cancer journey by many friends and health care workers, as are so many of our friends. This is a way to say thank you to so many and help this vital work continue.

If you are able, please sponsor Jane at Just Giving on the following link or sign Jane's sponsor form when you see her.
